ST. ALBANS SCORED IN ONE INNING

Tommy Davidson Saved the Game by Masterly Pitching

St. Albans made it an interesting game at Intercity park Saturday as far as the sixth inning, after which Barre A. C. won with ease by the score of 10 to 3. St. Albans got all its runs in the third inning off J. Brown, after which T. Davidson went to the mound and held the visitors scoreless.

In that inning Brown passed Shappy but threw him out at second on Dike's rap. Dike went to second on a balk and went to third on a wild throw by Hoernle to catch him at second. Neiburg was passed and when Hoernle threw to second to get Neiburg stealing, Dike scored and Neiburg himself got second. Woodward hit over N. Brown's head, scoring Neiburg. Woodward was thrown out at second on Larry's rap to short and Larry then went to second and third on wild pitches, coming home on Satchell's safe drive to left center.

Barre scored one in the fourth base running by Hoernie, who made his sec-ond hit and went way to third on J. Brown's sacrifice and home when Moore

fumbled Maiden's grounder.

Again in the sixth, Hoernle started things, beating out a hit to short and taking third on J. Brown's hit. Brown started to steal second and while the bewildered St. Albans infield was trying to run Brown down, Hoernle scooted

The Barre score was augmented by the first batter up, was passed. Johnston laid down a next sacrifice and scored Wright as Dike threw wild over third base, attempting to head him off at third. John Brown was passed with two out. He stole second. Maiden was passed. Gay lammed out a double down passed. Davidson was passed into left field, good for two bases. Nute ended the inning by flying to

Larry.

Johnston negotiated for a hit in the eighth and went to second when Hoernie grounded out to first. Johnston scored on Larry's error of J. Brown's hit. The

First Match to Be Sailed on Sept. 10, 1914, Off Sandy Hook

LIPTON ACCEPTS CONDITIONS IMPOSED

Similar to Those of 1903, Except for Change in Rules of Measurement

New York, July 21 .- A series of races for the America's cup will be sailed in eastern waters during September, 1914 This was formally announced by the cup committee of the New York Yacht club

Saturday night: The Royal Ulster Yacht club of Belfast, acting for Sir Thomas Lipton, cabled the New York Yacht club committee Saturday that the conditions prescribed the Barre G. C. links last week, Fraser by the New York Yacht club had been turning in a 74, Hutchinson a 76 and accepted and signed and were on the Daniels a 79. Fraser and Russell were way to America.

On the receipt of the cablegram, the club officials announced that the tenta-tive dates for the races had been selected as follows: Thursday, Saturday and Tuesday, Sept. 10, 12, and 15, and to continue on succeeding Thursdays, Saturdays and Tuesdays until three out of five races had been won by one of the

contesting yachts.
It was stated that the races would be sailed under practically the same condi-tions that have governed former America's cup matches, with the exception that they are to be held under the "present racing rules and rule of measurement now in force in the New York Yacht club.

This latter clause refers to the technical methods of measurement and other details incidental to the cup race, and not to the size of the yachts. On this for home, drawing a throw which was so high that Brown also completed the circuit. Maiden was passed but died stealing.
